CONTROLLER OF EXAMINATIONS
KARAIKUDI – 630003

Details of the Information and Communication Technology facilities available for conduct of Examination in a fair and transparent manner.

The Internal assessment marks were collected from Directorate of Distance Education / Learning Support Centre online. The examination fee was collected online and the students were allowed to download their Hall Ticket from the Alagappa University Examinations Web Portal. The end semester examinations were conducted online for all the programmes and students were instructed to upload their answer scripts in the cloud server. The examiners were allowed to evaluate the answer scripts online at their convenient places. The indigenous software developed by Alagappa University was employed for conducting the online examination and evaluation. The entire pre and post examination processes i.e examinations, evaluation of answer scripts, integration of results of internal and external assessment, preparation of results, calculation of grades etc are mainly based on automation.
